

Nature-based solutions for health and well-being – Aspects of promotion, prevention and intervention

14th International
People Plant
Symposium
OCTOBER 11-13 2018
Malmö Sweden

SUBMIT NOW

OPEN UNTIL
MARCH 29

ipps2018.se/abstracts/

We are **delighted** to welcome you to the **14th IPPS** that for the first time will take place in **Scandinavia, in Malmö, Sweden** on **October 11-13 2018**.

The **symposium** is an **interdisciplinary arena** welcoming participants from all corners of the world. We invite **researchers, practitioners, educators, healthcare and politicians** to an interdisciplinary arena discussing **nature-based solutions for human health and well-being**.

The **official hosts** of the symposia is The Swedish University of Agricultural Sciences, dept. **Work Science, Economics and Environmental psychology**, in collaboration with the **International People Plant Council** and **SLU Future Animals, Nature and Health** - research platform.

Best regards,
The organizing committee
